A.C.T.S. Ministry Overview

Version 2 | September 2026

1 CHURCH AFFILIATION & MINISTRY SUPPORT

A.C.T.S. functions as a covering and support organization for churches and ministry leaders seeking structure, accountability, fellowship, leadership development, and ministry partnership. A.C.T.S. is a Christian fellowship and service organization with an Apostolic Pentecostal foundation, committed to unity among believers while respecting the autonomy of local churches.

Affiliated churches maintain their local leadership and doctrinal authority while participating in the fellowship, accountability structures, ministry support systems, and leadership development opportunities provided through A.C.T.S.

The organization seeks to support healthy churches, strengthen ministry leadership, and encourage unity among believers while allowing individual churches flexibility in their local ministry operations. A.C.T.S. believes strong churches require both spiritual leadership and healthy organizational structure.

"For this cause I left thee in Crete, that thou shouldest set in order the things that are wanting, and ordain elders in every city, as I appointed thee."

— Titus 1:5 (KJV)

2 CHURCH PLANTING & MINISTRY DEVELOPMENT

Church planting is one of the core missions of A.C.T.S. The organization seeks to help establish, support, and strengthen Apostolic Pentecostal churches that are biblically grounded, outreach-minded, community-focused, and organizationally healthy.

A.C.T.S. envisions the future development of ministry headquarters, outreach centers, training spaces, ministry resources, and affiliated churches that operate together in support of the organization's mission.

The organization believes church planting should focus not only on preaching, but also on leadership development, discipleship, outreach, accountability, and long-term ministry sustainability.

"And he said unto them, Go ye into all the world, and preach the gospel to every creature."

— Mark 16:15 (KJV)

MINISTERIAL ACCOUNTABILITY & ORDINATION

A.C.T.S. believes ministry leadership should be approached with seriousness, humility, accountability, spiritual maturity, and biblical responsibility.

Ordination through A.C.T.S. carries the expectation that ministers uphold Apostolic Pentecostal biblical principles while operating with integrity, servant leadership, and a commitment to sound doctrine.

The organization values mentorship, continued learning, practical preparation, and outreach involvement as important components of leadership development.

A.C.T.S. believes leadership should not be centered solely on titles, but on service, responsibility, spiritual character, maturity, and the ability to effectively minister to others.

*“And the things that thou hast heard of me among many witnesses,
the same commit thou to faithful men, who shall be able to teach others also.”*
