OPPORTUNITIES TO GET INVOLVED

HELP BUILD WHAT COMES NEXT

Apostolic Christians Together Serving, Inc. (ACTS) is continuing to develop its leadership, ministry, outreach, and community-service efforts. As ACTS grows, we welcome individuals who may have a desire to serve, share their experience, or help create opportunities for future ministry.

BOARD & ORGANIZATIONAL LEADERSHIP

ACTS is developing its governing board and organizational leadership structure. Individuals with a heart for Christian service and experience in areas such as ministry, administration, education, finance, nonprofit leadership, community service, or organizational development are invited to express interest in future board or advisory opportunities. ACTS is committed to responsible governance, accountability, shared wisdom, and service.

FUTURE VOLUNTEER OPPORTUNITIES

ACTS is building a comprehensive volunteer interest list for future outreach, community-service, educational, ministry, and special-event opportunities. Individuals are invited to identify areas in which they may be interested in serving as opportunities develop. Expressing interest does not create an obligation or commitment.

SHARE YOUR GIFTS

People bring many different gifts to ministry. ACTS welcomes individuals interested in using their abilities in areas such as music, teaching, administration, hospitality, technology, communications, outreach, event support, and other forms of service. As ACTS develops, knowing the gifts and interests of those connected to the ministry will help us identify opportunities for people to serve meaningfully.

PRAYER, MENTORSHIP & SPIRITUAL SUPPORT

ACTS welcomes the prayers and encouragement of believers and values relationships with pastors, elders, ministers, and other Christian leaders willing to offer wisdom, mentorship, and spiritual support as the ministry continues to develop.

HELP OPEN A DOOR

You do not have to hold a position within ACTS to help move the mission forward. Sometimes the most meaningful contribution is simply making a connection—introducing ACTS to a community organization, ministry leader, potential volunteer, professional resource, available facility, educator, musician, or someone else who may help create an opportunity to serve.

Sometimes opening the right door is itself an act of service.

STAY CONNECTED

Interested in serving, volunteering, exploring board or leadership involvement, sharing your gifts, or simply following the work of ACTS?

Visit ACTSMovement.org to learn more, express interest in future opportunities, and stay connected as the ministry continues to grow.

Jesus expects persistence, not perfection.
